Questions to Ponder and Discuss

Jehovah Rapha: The Lord who heals

What are some ways that God heals?

Why do you think that God doesn't always heal the way we think He should?

In those circumstances, what is your reaction to God?

Journal about a time that God has healed you (physical, spiritual, emotional or anyway that applies)

Read Exodus 15:22-23. What happened when the Israelites finally found water?
What did they call that place?

How did God provide? (v. 25) Why do you think He chose this method?

Where did God lead them after He issued this decree? (Exodus 15:27)

What did the people find there?
